

PITCH PERFECT PRE-SLOPED SHOWER BASE

DESCRIPTION

Pitch Perfect by Compotite is a clever system featuring four key components: the Pitch, the Fit, the Cut, and the Seal. These pieces work together to create custom shower bases with optimal slope for drainage. Say goodbye to uneven surfaces and hello to flawless showers that keep water where it belongs. Pitch perfect creates a code required slope under the shower pan liner. Install a perfect shower slope while saving time, money, and materials with Pitch Perfect!
